

Directions from Alicante Airport

Summary

The journey from Alicante airport to Sella really is quite simple and normally takes between 45 mins and 1 hour. You literally leave the airport, turn right onto the motorway and then exit the motorway at Villajoyosa where you turn right again onto the road that takes you up to Sella. If however you feel less confident when driving on unfamiliar territory then this guide will hopefully make your journey a little more comfortable.

1. When initially leaving the main airport complex follow the blue motorway sign (middle lane)

2. The road then bends 90° to the left, after this get into the right hand lane (blue motorway sign - Valencia / Murcia)

- Just after you pass under a bridge, take the slip road on your right signed - (Madrid) Alicante / Benidorm / Valencia. This will take you onto the motorway.

- A new piece of motorway has recently opened which has caused some confusion at Junction 71. This is because the sign 1250 meters before the junction, indicates that that you should leave the motorway at this exit for Valencia and Benidorm. (below)

- If you do this you will still end up in the right place, but you will have to pay an additional and unnecessary toll! When you reach Junction 71 do not exit, stay on the main motorway signed A70 Valencia (below)

- Continue on the motorway. Just after Junction 68 you will go through a long tunnel (1.85Km) called San Juan. Take care in the tunnel there is an 80 Km per hour speed limit and there is a speed camera in the tunnel!

The motorway around Alicante is free, however approx 4Km after the tunnel (just after Junction 67B) there is a toll station (below) where you will have to take a ticket and pay when you exit the motorway (€2.05)

- The Villajoyosa exit (junction 66) is approximately 13.5 Km after the toll station and is signed well in advance (N332 / CV70 / Villajoyosa) below

Leave the motorway at this junction and approach the toll station, where you give them your ticket and pay the toll €2.05

8. After paying the toll you come immediately to a roundabout. Turn right here onto the CV770 signed Sella 13Km. You are now on the road that will take you all the way to Sella.

9. Approximately 5Km after the toll you will pass through the village of Orxeta (do not turn off the main road) and take care over the speed bumps.

10. After approximately another 2.3 Km you will pass a turning to the right signed Finestrat (continue straight on)

11. After approximately another 1.5 Km you will pass a turning to the left signed Relleu (continue straight on)

12. After approximately another 3 Km you will approach the village of Sella. As you enter the village the restaurant Quatre Caps is on you left. Take the next right turn after the restaurant (a collection of signs in front of you and the road bends sharply to the left) Proceed down this road to the public car park on the right hand side.
